OUTER BEAUTY

THE SILKIEST LIPSTICK

All makeup should multitask with the same tireless energy as its wearer. Sensai's The Lipstick is a true work-horse. It does more than give a long-lasting gloss of color (though it does this supremely well)—it is also a moisturizer for your lips. The magic ingredient: Koishimaru, a precious silk that used to be spun exclusively on the grounds of the Japanese Imperial Palace for ceremonial garments. Imperial indeed! \$55, bergdorfgoodman.com
