There's a Reason He's Jumping Up and Down

There's an all-natural gum out there that markets itself as "made with rainforest chicle, the way gum used to be." It's called Glee Gum; it comes in cinnamon, tangerine, and peppermint; and it has cute retro packaging. When NaturalCandyStore.com sent us some, I noticed that it sticks to your teeth a bit more than its contemporary, chemical-ridden counterparts do. But perhaps that's the small sacrifice you make for gum that's free of artificial flavors and preservatives. The most intriguing part of the Glee Gum box? A little

ad for the "Make Your Own Chewing Gum Kit" on the back. Twelve dollars gets you the ingredients and instructions.

Glee Gum, \$10 for 12 boxes
